### Description of Services

ILN East offers the highest quality support to enable people with a disability or special needs to lead an independent, fulfilling life within their own homes, and as valued and equal members of their community.

ILN East provides support to people with

- Learning Disability
- Physical Disability
- Mental ill-health
- Families with special needs
- 16-19 year olds with special needs

Our support is very flexible; some people have 24 hours a day, whilst others have a few hours a week. We are able to provide assistance with personal care, maintaining the household and with getting out and about including attending work, appointments, placements and education. In fact anything that enables a person

to be more independent and to be part of their community. Support and skills to maintain and promote independence are provided in a person-centred way which gives clients the opportunity to identify the right path for them.

ILN East can also support people to manage independent living funds or service funds. (We are unable to provide this service for people who we provide support to directly).
