### Description of Services

Each year Papworth Trust helps over 13,000 disabled people in the East of England and the UK through a wide range of services:

**Vocational Rehabilitation** – a unique nationwide service enabling over 90% of clients to get a job or be ready for work.

**Housing** – providing almost 600 homes and accessibility expertise.

**Learning for Life and Work** - increasing an individual's opportunity to learn, to realise their potential and achieve their ambitions.

**Personal Support** – supporting people with disabilities to live independently in their own homes.

**Employment** – helping 1,700 people each year obtain and retain employment.

The Trust also works with the Government, employers, service providers and commissioners to promote disability equality and good practice.
