### Description of Services

Premier Domiciliary Support Limited (PDSL) is a Domiciliary company in the Fenland area of Cambridgeshire, committed to providing the highest quality of support to adults with mild to moderate learning disabilities.

PDSL can provide support to an individual in their own home, or within a supported living home, enabling each person to live under their own tenancy.

The managing director of PDSL, Rupert Stocks' family have been providing support to adults with learning disabilities for over twenty years and are well known within the Care Quality Commission for providing the very highest quality of support, Rupert is now using his vast experience to provide the same level of support in Fenland with his own company.

PDSL will assist every individual they support with personal living skills, enabling and promoting higher independence, assisting them with budgeting their money, and will assist them in finding employment or further education, if needed or desired. We are committed to each individual accessing the local amenities and having an active role within the community they live. Each individual will be supported in gaining or maintaining a social life, whatever that may be, subject to the individual.

So if you are needing support or know a person that requires support, why choose Premier Domiciliary Support Limited?

- As a small independent organisation, all staff including management will have a 'hands on' personal approach to supporting individuals to have a fulfilled and independent lifestyle.
- We value each individual's human rights and have high ethical and moral standards in the training of our qualified staff.
- The support we offer is flexible and tailored to each individual's unique needs, wishes and desires.
- We aim to provide opportunities for all to meet their potential.
- We have systems in place to regularly and thoroughly monitor our quality of service. This gives each individual the chance to bring their feelings to the attention of management and have their opinions heard.

For more information, please contact Rupert Stocks who will be more than happy to answer any questions you may have.
